

Datenblatt für Artikel: LIFS009500

# FS 115, RGB-CLW, 90+, 14,7W/m, 971lm/m, 24VDC, IP44, l=5m

Anschlussleistung bei 100% Mix RGBW max. 27,5W/m

## Technische Daten

|                          |                            |
|--------------------------|----------------------------|
| Leistung pro Meter (W/m) | 14,70                      |
| Lichtstrom/m (lm/m)      | 971                        |
| Lichtfarbe               | Amber                      |
| Farbtemperatur (K)       | RGBW-2100K +/- 50          |
| Farbwiedergabeindex Ra   | ≥90                        |
| Dimmbar                  | Abhängig vom Treiber<br>ja |
| Schutzklasse             | III                        |
| Schutzart                | IP44                       |
| Leuchtenart              | LED Strip                  |
| Leuchtmittel inkl.       | ja                         |
| Ausstrahlwinkel (°)      | 120                        |
| Betriebsspannung DC (V)  | 24                         |
| Montage                  | Deckenanbau<br>Wandanbau   |
| Länge (mm)               | 5000                       |
| Breite (mm)              | 14                         |

## Technische Daten - Fortsetzung

|                     |                                                                                                                                                                                                                                                                                                                        |
